

Meet TUFFflex Elite

The innovative alternative to conventional and pre-stretched hand film

TUFFflex™ Elite is the highest performing hand film in our stretch film offering and the ultimate in pallet wrapping total cost savings!

This industry-leading manufacturing technology comes loaded with these benefits and more:

- Cast, multi-layer film blend
- Easy to handle rolls with easy unwind
- Superior cling and tear resistance
- Exceptional clarity
- Edge hang reduction features
- Suitable for cold wrapping environments
- Great film stiffness with strong snap back
- Excellent "C" load retention
- Puncture resistance is superior to higher gauge conventional films
- Leading load holding force

TUFFflex Elite is now sold in bulk quantities on pallets and by the case.

CASE

Item #	Mfg #	Size	Gauge	Rolls/Carton
11075512	V04503	14.5" x 1500'	28 ga	4
